SPORT INFRASTRUCTURE SUMMIT 2024

30th AUGUST 2024
Pragati Maidan, New Delhi, India

Sports Infrastructure Summit (SIS 2024) is being held with the main aim to develop sports infrastructure across the India as Sports Infrastructure is the backbone of sports and it will help to become India's a s sporting power in the world Sports having a positive impact on the state of health, education and the economy and sports infrastructure into its education system by providing athletics with facilities across schools, colleges, and universities. Nations become global sporting powers. India has witnessed a spurt of growth in sports infrastructure development in recent years, which will have a strong impact on the state of sports in the long run. Sports infrastructure should be treated as an integral part of urban planning so that adequate resources are budgeted for development and sustenance.
